THE BARGAIN CONTEST CLOSES IN THREE WEEKS

Thousands of Votes Being Turned in Weekly by the Contestants. Ask for Your Votes and Help Your Favorite Win the Money.

Remember that the Press Refund Bargain Contest will close February 13 and that only three more weeks remain to rustle votes for your favorites. Three cash Prizes aggregating $50 will be given to the three contestants with the highest standing. The largest number of votes will receive $25 in gold, the second $15 and the third $10. While these prizes are not large they will be very acceptable to those whose names are entered and the votes that you receive for your purchases may turn the tide in favor of your candidate.

A supreme effort is being made now by several of the contestants. The Ukiah High School student body have made up their minds that the $25 would be very handy for them and have been rolling in votes by the thousands during the past two weeks. They say that they are out to win and that the Ukiah high school generally does things when it gets in and digs.

The ladies aid society of St. Johns M. E. church have been working hard to keep in the lead and have been making a good showing. Several of the ladies have been actively securing votes and they are well up. Mrs. Mattern is also a great rustler and has been voting thousands every week.

The ladies of Cornelia Rebeckah lodge have been very energetic in behalf of the orphans home which is maintained by the order and are determined that the little children of this home shall receive one of the prizes.

Albertina Orphanage has a number of friends who have been trying to get one of the prizes for the little boys benefit. They have polled a fine bunch of votes this week and are very hopeful of winning.

Mrs. J. J. Thornton's many friends have been active in her behalf and she has polled a large vote.

Remember that the next three weeks will tell the tale and that the work that you do now will count. The leading candidates are now vieing with each other every week as to who will make the largest gain. The merchants who have made this contest possible by their advertising are deserving of your patronage and are anxious to give out the votes.

The following merchants are those giving votes with purchases:

ATTORNEY M'COWEN POPULAR CANDIDATE

Hale McCowen jr. is receiving great encouragement in his candidacy for the office of district attorney and since his announcement in the Press has been receiving letters from his friends over the county assuring their support. Mr. McCowen promises to make a strenuous canvass and has ambition to secure majorities that will compare with those received by his father when he was a candidate for clerk. Attorney McCowen is an active young man and is thoroughly qualified for the position to which he aspires. His friends feel confident that he will be a winner and that he will make good on the job.

BUTTER FROM MISSOURI.

Mrs. McCormick received two pounds of butter this week from her sister in Missouri. The butter was shipped by parcels post on the 12th and arrived in perfect condition. Needless to say that Mrs. McCormick regards this as the finest butter that she ever tasted. This shows what is possible by parcels post. It not only means that butter may be shipped from Missouri but that the formers of Mendocino county can secure customers for their butter and mail it to them at a very low rate. Vegetables and other garden products can be sent. It may not be long until we are going to the post office to get our dinner.

POPULAR MERCHANT ILL.

Louis Hoffman of the C. Hoffman company has been laid up with a cold this week but is greatly improved and his many friends hope to see him around attending to business again in a few days.

FRANK COOK PROUD FATHER OF A BOY

Blanchard Wilson Cook arrived in this city Tuesday night at the Langdon hospital. Both he and his mother are doing nicely and his father is expected to recover. Frank B. Cook is the proudest man in Ukiah at present and will have the other proud fathers crowded off the map when he returns to Anderson valley. He drove over Tuesday night in the storm, but the wise old stork beat him by a few hours. Frank is already planning a professional career for the boy and opened an account in the Savings Bank for him Wednesday morning so that he will have a start on his college course. Frank is a republican and his wife is a strong democrat, so they comprised the matter of a name. Frank insists that he will be a republican.

DR. KING'S FUNERAL.

At the funeral of the late Dr. E. W. King held last Wednesday in San Francisco a beautiful eulogy was delivered by Attorney John L. McNab at the request of relatives. About fifty residents of Ukiah now residing in San Francisco and the bay cities were present. Beautiful floral offerings were sent from the Ukiah Commandry, Ukiah Lodge No. 174, I. O. O. F. and the Mendocino State Hospital. It was one of the last requests of the doctor that his remains should be cremated and that his ashes should be scattered at the Golden Gate.

MR. HEILMAN INJURED.

Louis Heilman was down from Redwood Valley this week and on consulting a doctor found that he had three broken ribs. Mr. Heilman fell last Saturday but kept on working and while he was suffering some pain had no idea that he had broken any bones until he consulted a doctor.

LEE CUNNINGHAM IS FOR TAX COLLECTOR

The political game is warming up this week and with the announcement that W. S. Van Dyke will enter the race for the assessorship appears the announcement that Lee Cunningham, for several years city clerk of Ukiah, and undersheriff under Ralph Byrnes, is a candidate for the office of tax collector. Lee is one of the most popular men in the county and while he has never entered for a county office before he has proved to be a vote getter of more than the ordinary ability in running for city clerk.

Lee would undoubtedly make a good official and his friends are boosting him strong for the place. His announcement appears in another column and he promises that from now on until after election he will be an active candidate. As Sheriff Byrnes has proven one of the most wonderful vote getters in the county, Lees training in his office and his previous experience as city clerk should make him a candidate that it will be hard to keep in sight of.

THEATRE NEARLY COMPLETED

The new theatre building is about completed and Manager Cox will begin installing his chairs in a few days. The drop curtains are already in place and are very pretty.

SANDELIN BANQUETS PALACE HOTEL HELP

Frank Sandelin, the genial host at the Palace Hotel, gave a banquet to his force Saturday night from 8:30 to 11. The affair occurred in the private dining room which had been handsomely decorated for the occasion. It was in honor of the employes for their faithful service. The menu was a gastronomic wonder and contained Russian, Chinese, Irish, Swedish and American dishes selected as their favorites by the epresentatives of those countries attending. The whole affair was pronounced very enjoyable and the help vote Frank the ideal task master.

STOCK FOOD AGENCY.

I. N. Orr has accepted the agency for the famous Wilbur stock food which is manufactured in Milwaukee. He will be interviewing the farmers in the interests of this product as soon as the weather settles. He has the county agency and the product is guaranteed.

THE NEW OVERLAND A WONDERFUL CAR

Overland Agent Taylor has just received catalogs of the new Willys-Knight auto which is said to be one of the highest types of autos on the market. This auto contains the famous Knight motor, the plant of which has been bought by the Overland people. It has the latest design of wire wheels and is electrically lighted and started. The outside finish and the upholstering are up to the other standards set by the car. The newest idea is the canti-lever rear springs which are not only the easiest riding springs in the world, but are a great saving on the machinery. The spring looks like the lower leaf of the ordinary spring inverted one end being fastened to the frame and the center supported on a roller bearing on the frame. The rear axle is hung to the extreme end of the spring. It has left hand drive, center control and a worm gear drive. Mr. Taylor reports that he has a number of prospects here and that he expects to have one of the new cars in Ukiah before the season is over.

SNOW STORM AT WILLITS.

A snow storm visited Willits Saturday night and Sunday morning three inches of snow were on the ground. It is reported that the boys had great sport snowballing the pedestrains and that life on the street was unsafe.

H. T. BARNETT DIES AFTER LONG ILLNESS

Henry Taylor Barnett died in this city on the 17th after a lingering illness. The funeral occurred from Hutchinson & Roeders' undertaking parlors Monday afternoon at 2:30, under the auspices of the Woodmen of the World. The deceased was the son of the late J. R. Barnett and was born in Helena, Mont., January 7, 1869. He came to California with his parents when six years old and to Ukiah about 24 years ago. For a number of years he resided at Klamath Falls where he was in business returning to Ukiah about two and a half years ago. He is survived by a widow and the following sisters and brothers: Mrs. H. P. Thomas of Klamath Falls; Mrs. B. T. Thomas of Ukiah; Mrs. A. R. Sides of Potter Valley; John F. Barnett of San Francisco and Henry Barnett of Potter Valley. The deceased was a good citizen and was honest and industrious. His health broke down a couple of years ago and since he had been a constant sufferer.

AND SO WOULD YOU.

In Orr reports that he sold a calf advertised in the Press on Saturday morning after the paper was issued. He has had a number of other enquiries and could have sold several calves if he had had them. He is strong on Press want ads as he has proven their efficiency.

M'GIMPSEY WAS ONCE A NIMROD

John McGimsey, the county janitor was in his younger days a hunter of some prowess. One of the boys was telling a bear story the other day and got John interested. After he was through John related the story of the time he was out hunting in Anderson Valley and his dogs treed a large panther. After snapping his gun John found that he had used his lost cartridge on a jack rabbit and had lost his knife crawling through the brush. The panther jumped at him but he sidestepped and shot out his right as the infuriated animal swept past his head. Before the beast could recover John had choked him to death.

J. PLUVIUS AGAIN GETS IN HIS WORK

Weather Clerk Mark Carpenter reports that 8.72 inches of rain fell during the present storm up to last evening. Two and seventy-two hundredths inches of rain fell Tuesday night and Wednesday. This makes 38.51 inches for the season to date or about 12 inches ahead of this time last year. For the whole season last year only 33.37 inches fell.

The water was so high in this valley Tuesday night as it was during the other storm. While the rainfall was not as heavy the warm weather melted the snow on the mountains and the rivers raised suddenly. The asylum was totally cut off from town and trains from the south were delayed and the Potter stages was held up one trip. Supervisor Ford reports that no great damage was done in his district.

The greatest damage of the storm was at the bridge across Eel river at Dos Rios. One end of the structure dropped several feet and if the bridge can be repaired it will be an expensive job. Only foot passengers and saddle horses have been traveling it and it is in an unsafe condition.

Ukiah valley was pretty well covered with water from the overflow from Rusian river.Gibson creek overflowed at the depot and ran over the depot grounds and down the track and it looked as if gondolas would be needed to get to the depot.

The following marriage licenses were issued during the week: John Benjamin Joseph and Goldie May Sapp; Kennedy Newton Wanacott and Bessie Montgomery; Ralph Figone and Nettie Shields; Alfreda Benedetta and Angelina Puccinelli.

COASTER ANNOUNCES FOR ADMINISTRATOR

Fred H. Warren of Point Arena announces in another column as a candidate for the office of Coroner and Public Administrator. Mr. Warren is wellknown on the coast and in the part of Mendocino county. He is a gentleman in whom his friends impose the greatest confidence and one who has occupied positions of trust in private life and made good. The office of public administrator is one which bears great responsibility and his friends claim that he will be the ideal man for the place. He is active and energetic and is out to win.

The following notice of is candidacy is taken from the Point Arena Record and shows the esteem that Mr. Warren is held in his own town.

Fred H. Warren is a candidate for Coroner and Public Administrator, and will soon begin an active campaign for the nomination. Fred is a Republican and a good one—not so much from a partizan point of view but because of his ability, habits and general character. He has resided on the coast for twenty years, the first ten being spent in the northern section on the Eel river and the last ten years as ticket agent and manager of the interests of the 'Point Arena Wharf Company at Point Arena. Mr. Warren took a course in the Santa Rosa business college and graduated with honors. He is a most trustworthy young man and would do the coast proud as Coroner and Public Administrator."

RECORDER HOLBROOK AGAIN A CANDIDATE

In this issue of the Press, Recorder E. E. Holbrook makes his formal announcement as a candidate for reelection to that office. Mr. Holbrook has proven himself a popular and competent official and has proven a strong vote getter in previous campaigns. As the labor connected with the office has gone on increasing as the years have gone by and the salary has remained stationary. Mr. Holbrook had about made up his mind not to again be a candidate. His friends, however, have insisted that he is the proper man for the position and he has at last yielded to their wishes.

No extended writeup of Mr. Holbrook is needed at the hands of the Press as he is well known throughout Mendocino county and has friends in every town. He is active and energetic and has kept the recorder's office in good condition and despite the rush of work keeps well up to it. A better man cannot be found for the position and the voters cannot do better than to return him to the office.

OREGON CAPITALIST VISITS

D. J. Caswell of Portland, Oregon, visited Mr. and Mrs. W. L. Crawford at their Largo ranch last week. Mr. Caswell is a resident capitalist and was a friend of Waynes in Portland. He is on his way to Texas for a visit but promises to return to Mendocino county for a more extended stay in the near future and may become an investor.

FINED FOR HAVING VENISON ILLEGALLY

Charles Coker was arrested this week by Game Warden Miller for having deer meat in his possession during the closed season and was fined $30 or thirty days by Judge Crockett. He is taking the latter. Coker had a choice sack full of dried venison which he was negotiating the sale of to some local lovers of the delicacy. He had distributed a number of samples and when he was arrested there was a run among his patrons and friends to get the jerky out of their pockets.

W. S. VAN DYKE OUT FOR ASSESSOR

W. S. Van Dyke has decided to enter the race for assessor and his announcement will be found in another column of the Press. Van Dyke was a resident of Covelo for a number of years and for his sterling qualities was picked by the republican party for tax collector. He was elected and filled the duties of that office so well that no one could be found by the democrats to enter the race against him the second time he received the nomination.

Mr. Van Dyke has devoted his time and energy to the business of the tax collector's office and has the machinery of that office running in perfect shape. He introduced the duplicate tax receipt which is sent to each taxpayer so that he can examine it and find if he is properly assessed. He has also introduced a system of checking the cash received in the office which has worked out so well that errors are prevented and that at night it can be told just what pieces of money were tendered for payment of taxes and the money given in change to each individual.

Mr. Van Dyke has a pleasing personality and has been courteous and accomodating. In casting around for a candidate for assessor his friends decided that there was no more competnet or better qualified man in the county for the position and after investigating the matter thoroughly he decided to enter the race.

STRONG ON THE RESCUE

Sleuth George Finney is now known as a hero. He went down to help Pud Hildreth rescue his live stock and waded in the water up to his neck. He finally succeeded in rescuing a bottle of booze which was at that time in dry territory according to law but everything else according to weather. He also lifted Pud's horse up into the hay loft and saved his life.

Saturday afternoon and evening: The Death Stone of India, 3 reels; He Ruined His Family's Reputation; All on Account of an Egg; and a Warnest feature picture, see advertisement in front of theatre.

BLIND PIGGER FINED

Fred Goddall pleaded guilty before Judge White to selling booze at Dos Rios which is in a dry territory and was fined $150. Sheriff Byrnes and his deputies are making it unprofitable to sell liquor in violation of the law.

UNDERGOES OPERATION.

Dr. G. W. Stout returned from San Francisco this week where he had been to accompany Mrs. John L. Brown who was operated on. Mrs. Stout will remain with her sister until she is able to leave the hospital. Mrs. Brown is reported to be doing nicely as could be expected and her many friends hope that she will be able to return home shortly.

FISHING WILL BE GOOD.

A correspondent from Philo writes that the heavy rains have brought up and unusual run of salmon and that the prospects are that the spawning season will be good and that the outlook for trout fishing next year is exceptionally fine.

UKIAH HIGH SCHOOL NEWS FOR THE WEEK

High School Students are Out Strong to Win in the Press Refund Bargain Contest. Ukiah and Cloverdale Highs Will Hold Debate.

Ukiah High plays the third game of the basket ball season to night with Healdsburg as opponents. The team has been working hard whenever they got a chance and with Meyers back in the game, will put up a decidely improved game. As to the outcome, Ukiah should win as she won from Cloverdale, who in turn defeated Healdsburg. Here's hoping. A preliminary contest will be staged between two girl teams. The usual social hop or dansant will immediately follow the games.

The Junior champion basket ball team will play Willits high school Saturday evening in case train connections are made by that time. The boys are hoping for victory.

The debate is now right at hand and will come off Friday or Saturday evening of next week. The topic will be "Resolved that the Cities Should Adopt the Commission Form of Government." With Cloverdale as opponents Ukiah will have a hard contest. Our team consists of Eleanor Thomas, Malborne Graham, and Homer Likely.

Watch the climb in the Press contest. Although late starters we have pulled up to fourth place.

A meeting of the track team was held to discuss a notice which appeared in the San Francisco dailies Sunday morning, which stated that the N. W. S. L. spring meet will be held at Petaluma, May 9th. It also stated that Ukiah was represented. The boys have written for an explanation, as they were not even notified and the spring meet should come here by rights.

The same meeting took up the discussion of the coming track play. This will be the fourth annual play. It is thought at the present time that the event will be in the nature of vaudville, although it is not certain. The following managerial committee was appointed Willis Prather, Bert Thornton and Laurie Layman.

Scottie again met with an accident the other day. He was watching the feminine beauty passing and came to woe against a substantial tree. Horrors!

The heavy rains and high water has kept the attendance low. Some of the students from across the river were unable to get back home and were compelled to remain in town.

"When in the course of human events it becomes necessary for the abolishment of the old comb and the purchase of a new one, so let it be," quoth Alvin German, the father of the new comb, purchased Monday morning, January 19, 1914. Let the good work keep up, as the freshmen also have a new comb which was the upper classmen's old one.

The Seniors have at last decided on a class pin. They will be purchased as soon as the money is forthcoming.

A new scholar has entered school this week from Lake county. The enrollment is now over 140.

FORMER RESIDENT DEAD

A. M. Neece died in Long Beach on January 12. He leaves a wife, two sons and two grand children, also four sisters and a brother—Mary Glouner of Gardenia, Mrs. Sophronia Patton Tryon, Mrs. Rebecca Higgins, and George Neece. The deceased was also a brother of the late Mrs. Wylie English. He was a member of Holyness church and was a devoted Christian ad always happy in the Lord. His last words were: "I see Jesus; He has come to take me home." He was a great sufferer but bore his pain with fortitude and seldom complained. Besides his relatives he leaves a host of sorrowing friends. X.

PLENTY OF PROOF

From People You Know—From Ukiah Citizens

The greatest skeptic can hardly fail to be convinced in the face of evidence like this. It is impossible to produce better proof of merit than the testimony of residents of Ukiah, of people who can be seen at any time. Read the following case of it:

Mrs. F. A. Elder, 1102 W. Standley St., Ukiah, Cal., says: "I have known of the value of Doan's Kidney Pills for a long time. Several years ago I was feeling poorly. I felt tired and depressed and my whole system was run down. Hearing good reports about Doan's Kidney Pills, I procured a supply and began taking them. They did me good from the first, and I kept on taking them until the pain in my back ceased and my kidneys became normal. My health was greatly improved."

A LASTING BENEFIT

When Mrs. Elder was interviewed by our representative on May 8, 1913 she said: "I have had no symptoms of kidney complaint since being cured by Doan's Kidney Pills some years ago. You may continue to use the public statement I gave at that time."

Sloan's Liniment is a speedy, reliable remedy for lameness in horses and farm stock. Here's proof.

Lameness Gone

"I had a horse sprain his shoulder by pulling, and he was so lame he could not carry foot at all. I got a bottle of your Liniment and put it on four times, and in three days he showed no lameness at all, and made a thirty mile trip besides."—*Walter B. Alorsford, La Salle, Col.*

For Splint and Thrush

"I have used Sloan's Liniment on a fine mare for splint and cured her. This makes the third horse I've cured. Have recommended it to my neighbors for thrush and they say it is fine. I find it the best Liniment I ever used. I keep on hand your Sure Colic Cure for myself and neighbors, and I can certainly recommend it for Colic."—*S. E. Smith, McDonough, Ga.*

WATCHIN' THE COW IS TIMELY PASTIME

While engaged in hauling and stowing hay last August for a local farmer, Will Vaughn lost a gold watch, and although he made a diligent search for it he was unable to find it.

Later the hay in the barn was baled and a portion of it purchased by Emil Seman the local blacksmith, who has been feeding it to his cow. One day last week the cow while drinking out of a bucket, gave a cough and out popped a watch into the bucket. It was recognized as the property of Mr. Vaughan and returned to him much to his surprise and gratification, for he had supposed the watch was lost for good.

All of which moves one to certain philosophic reflections. While pitching hay it is well to look out, otherwise you may lose time. And again, if a cow tries to kill time by eating hay, she may find she has tackled a hard case, and have to cough up the whole works. Once more, if a person wants to sleep on a bale of hay in which the watch lay hid, could he have been accused of sleeping overtime?—Mendocino Beacon.

It looks as if a cow was honest or she wouldn't have coughed up the watch for some time and as she was evidently giving milk enough to pay for her hay it could hardly be said that she was trying to live on tick. If she had taken more time and kept the timepiece down it might have proved to be a case of a death watch. As the watch lost no time in getting out it is presumed it was still running when returned to Mr. Vaughan.

Henley, deceased; Emma Rose, Barclay Henley, Billie Lou Thomas, Robinson Crusoe, Robin Hood, Mary Doe, Susie Roe, and all other persons claiming any right, title, estate, interest in or lien upon the real property described in the Complaint in this action, adverse to plaintiffs ownership, or any cloud upon plaintiffs title thereto,
Defendants.

Action brought in the Superior Court of the State of California, in and for the County of Mendocino and the complaint filed in the office of the Clerk of said Court.

THE PEOPLE OF THE STATE OF CALIFORNIA, SEND GREETING TO:

John Taylor, as Administrator of the Estate of Whitcomb Henley, deceased; Mary A. Henley, as Executrix of the last will and testament of Thomas B. Henley, deceased; Emma Rose, Barclay Henley, Billie Lou Thomas, Robinson Crusoe, Robin Hood, Mary Doe, Susie Roe, and all other persons claiming any right, title, estate, interest in, or lien upon the real property described in the Complaint in this action, adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, defendant.

YOU, AND EACH OF YOU ARE HEREBY DIRECTED AND REQUIRED to appear in the above entitled action and answer the complaint filed therein in the Superior Court of the State of California, in and for the County of Mendocino, within ten days (exclusive of the day of service) after the service on you of this summons, if served in the County of Mendocino, or within thirty days if served elsewhere.

AND YOU ARE HEREBY NOTIFIED, that unless you appear and answer the complaint as above required the plaintiff will take Judgment against you for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

The object of this suit is to obtain a judgment and decree quieting the plaintiff's title to the lands and premises described in plaintiff's complaint, on file herei , as those certain lots, pieces and parcels of land situate, lying and being in the County of Mendocino, State of California, bounded and described as follows, to-wit:

Lots Two (2), Three (3), Four (4), and South West quarter of North East quarter of Section Five (5), Township Twenty-One (21) North, Range Thirteen (13) West, M. D. M.

That the title of plaintiff to said lands and premises, and to every part and parcel thereof is good and valid, and for a decree perpetually enjoining, debarring, and estopping each of said defendants from asserting any right, title, estate, interest in or lien upon said real property, or any part or parcel thereof, and for such other further or different relief as to the Court may seem meet and proper and for costs of suit, all of which will more fully appear by reference to plaintiff's complaint on file herein, to which you are hereby referred for full particulars.

GIVEN under my hand, and the seal of the Superior Court of the County of Mendocino, State of California this 30th day of December, 1913.
